MUR # 6122

To the General Counsel:

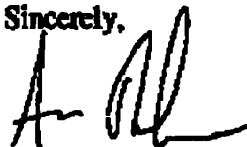

I am writing this letter to lodge a formal complaint against respondents Rep. Gary Miller and the National Association of Home Builders.

On October 28, 2008, the National Association of Home Builders (NAHB) sent campaign literature to the home of Mr. and Mrs. Hall. The campaign literature touted Rep. Miller's legislation and reputation, and arrived only 7 days before the election. A scanned copy of the mailer is enclosed with this letter.

Jenny Hall, one of the members of the household to which the mailer was sent, has written a letter in which she explains that neither she nor her husband are members of the NAHB, nor have they ever contributed to the NAHB. A copy of Jenny Hall's letter is also enclosed with this letter.

It appears as though the National Association of Home Builders has conducted an impermissible solicitation outside their restricted class. Please consider this letter my formal request to investigate this action by the National Association of Home Builders and Congressman Gary Miller, who is the intended beneficiary.

Sincerely,

Aaruni Thakur
